XIII WORLD JAMBOREE

Japan, August 2 - 10, 1971

The XIII World Jamboree, the first Jamboree to be in Asia, will be the largest single international Scouting event ever conducted. More than 20,000 Scouts and leaders from 132 countries are expected to attend. The United States will be represented by about 3000 members of the Boy Scouts of America.

For Understanding, this theme was chosen in the belief that world brotherhood and the foundations of world peace can be strengthened through more understanding between people. The Jamboree through its programs and activities provides an unparalleled international opportunity to serve this purpose.

The 9-day Jamboree will be August 2 - 10, 1971. American contingents will be gone 20 days, taking in tours of Japan before and after the Jamboree.

Boys must be registered members of the Boy Scouts of America, 14 - 18 years of age, and have attained at least First Class rank or be a registered Explorer. The total cost of the trip is about \$825 for each boy.

The first U.S. contingent departs for Japan on July 23, 1971 for pre-jamboree tours. Contingents leaving later will split their tours of Japan before and after the Jamboree.

In Japan the Scouts will see the 2000-year-old civilization in cities like Nikko, Kyoto, Nara, and Kashigaya. Their tours will take them through some of the world's most beautiful gardens, ornate shrines and temples that were already very old when Columbus discovered America.

Modern Japan will be seen as the Scouts visit bustling Tokyo and ride the world's fastest train to the Jamboree site.

The emblem for the Jamboree is in the shape of a Sacred Mirror with the purple World Scout badge in its center and the words 13th World Jamboree, Nippon 1971. "Nippon" is the official Japanese word for Japan and the characters are Nippon in Japanese.

ORDER OF THE ARROW MAKEUP!

An Order of the Arrow Ordeal makeup will be held at Camp Osborn Friday and Saturday, September 18 and 19. The Ordeal will begin Friday at 5:00 p.m. and will continue until 11:00 p.m. on Saturday.

REPORT ON CAMP DEVELOPMENT

As a result of our capital campaign many improvements have been made at Camp Osborn, some are under way now, others will be made this fall and winter.

First was the complete replacement of all underground water lines; the old ones were the early plastic type that did not hold up. The new ones are also a larger size.

The dining hall has half of the porch closed in and screened to allow feeding more campers at the same time. New tables with plastic tops, and chairs given by the Naval Air Station add to the comfort and safety. The kitchen has a new one-piece vinyl floor, a new stainless steel triple sink and new cabinets.

Seven new Troop camps have been constructed, each with its own latrine and wash rack, with tent platforms and tents. The four on Horseshoe Ridge have their own well and camp.

The trading post has a new roof (the dining hall will re-roofed soon). Dining hall and health lodge have been painted inside.

A 250 foot long walking bridge across the creek and flood basin makes Horseshoe Ridge in easy walking distance of the dining hall and activity area. This was built entirely by volunteer labor.

The equipment storage building will be erected before September, and an open storage shelter will protect the tractors, mowers, boats, truck, tent poles, etc.

In the fall work should begin on our chapel. In late fall work will start on our 8-acre wilderness lake and two Troop camps on the southern end of the camp reservation. This will be one mile southeast from the Ranger's home. The road will have to be built up and a bridge or culverts put in to make it passable.

By next summer's camp, we shall have the chlorinating and filter plant for the pool, the new shower house at the pool and a new camp headquarters building.

EAST DISTRICT

CAMPOREE---East District Fall Camporee will be held in Pelham, on the weekend of October 9-10-11. Scoutmasters should have their brochure in hand, if not, contact you district Scout Executive, please. Mr. Scoutmaster, put the outing in Scouting and journey to Pelham to kick off another fun-filled season of Scouting!

ROUNDUP---Chehaw Annual Roundup begins this month with our kickoff dinner. Each unit leader is encouraged to be in attendance and set your goals to bring new boys to the wonderful program of Scouting. Awards for boys and leaders will be included in the ROUNDUP.

GOD & COUNTRY---Emphazing our program of "God and Country" was an excellent display in the DeSoto Trail Regional Library, Camilla by Scouts: Tim Davis, Rodney Sharp, and Ted Janis of Troop 51. These three young men are to be commended for putting another part of our Scouting program in full view of the citizens of our area. Congratulations, Scouts and keep living up to the wonderful Scouting traditionals. You are excellent examples of the Men of Tomorrow!

+++NEW REGISTRATION PLANS+++

Effective Sept. 1 -- new registration forms for all boys and adults are to be used. Please destroy all of your "additional enrollment" forms and "boy applications". In place of these, there will be a three-part carbonized form from which the boy and his parents fill out when he registers. The unit keeps one copy and two copies are sent to the council office in place of the additional enrollment form.

Also new is a temporary certificate which the unit leader signs and gives to the boy when registering. New forms can be obtained at the Council Office.

SHOW-N-DO

The long-awaited SHOW-N-DO that is required for the Scouter's Key and Scouter Training Award will be held Saturday, September 26 at Camp Osborn. Check-in time will be 9:00 a.m.

Mike Whitacre will serve as Director with Gordon Davis as staff advisor. Detailed information will be mailed soon. Make your plans for a big day of fun and fellowship in Scouting training!

COUNCIL CANOES

The Council's aluminum canoes have been removed from camp for repairs. The years have given them considerable abuse. We shall put a notice in the DRUMBEAT when they become available for use.

THE GREATEST EAST DISTRICT CAMPOREE ever held was at Chickasaw in Pelham Oct. 9-10-11. A group of 122 boys and 36 leaders enjoyed a weekend of fun, fishing and fellowship. One of the highlights of the weekend was a Saturday night fish fry for the leaders, hosted by the leaders of Troop 53, Pelham, with good old Swamp Gravy prepared by Bussey Coker of Troop 36, Sycamore. Units participating were: Troop 30, Sylvester; Troop 33, Sylvester; Troop 31, Ashburn; Troop 36, Sycamore; Troop 51, Camilla; Troop 53, Pelham; Troop 62, Tifton; Troop 64, Tifton; Troop 100, Poulam. The overall winner, taking home the Rotary Executive Trophy, was Eagle Patrol, Troop 62, Tifton.

A special "Thanks" must be said to Lamar Pollock, Scoutmaster of Troop 53; Joe Ben Cox, Assistant Scoutmaster of Troop 53 and Gordon Powell, Institutional Representative of Post 144, American Legion, for the excellent job of preparing for the great event. Also our "Sincere Thanks and Appreciation" to our grand and gracious host Mr. Paul Hellemn, owner and developer of Chickasaw, a paradise in southwest Georgia!

REMEMBER - Unit Leaders, the University of Scouting to be held in Albany, Nov. 7. A good leader is a trained leader! Don't let this opportunity pass you by.

ROUNDUP - Troop 100, Poulam, has scored a "Touchdown for Boypower" by being the first unit to surpass its roundup goal -- congratulations to John Porter, Scoutmaster and the boys of your unit for a job well done. This unit has set the pace. Let's all score for the East District team and move out in front!!

CANOE TRAILS

Your council office has brochures telling about canoe trails on the Alapaha and Withlacoochee Rivers. The Alapaha trail starts at Willacoochee and ends at Statenville 83 miles distant (by canoe). There are four intermediate points where highways cross the river, making it possible to take out (or put in) for a shorter cruise. The Withlacoochee trail begins near Valdosta and ends at the Suwannee River near U.S. Hwy. 90, a distance of 56 miles. If interested, ask for a brochure from our office.

PROJECT S-O-A-R

PROJECT S-O-A-R -- Scouting's big program to improve the quality of the environment we live in, has these plans in schedule now: 1. Leaders' Clinic at Camp Osborn, Dec. 12, 10:00 a.m. to 4:00 p.m., for Cubmasters and Assistants, Scoutmasters and Assistants, Junior Assistant Scoutmasters, Senior Patrol Leaders and Unit Committee Chairmen.

We'll have a nationally noted ecologist speak on what has happened to the environment we live in (and what is happening now) and the changes that must be made. We'll go over the big plans for 1971. And Scoutmasters will have the chance to pick a project for their Troop to work on at Camp Osborn next year (though our major environmental program will take place in YOUR town and YOUR community). 2. In March we'll hold district camporees at Camp Osborn with the purpose of allowing Troops to put in time toward their camp projects. 3. On June 5, we'll hold National Anti-litter Day with all Scouting members working nationwide on a project.

When you come to the Leaders' Clinic at Camp Osborn, we shall give you two books, one on ecology, one on Project S-O-A-R with all of its plans.

COMING EVENTS

Sat., Dec 12 Operation S-O-A-R Leaders Clinic at Camp Osborn

Sat., - Sun., Jan 16 - 17 Baden-Powell Campout (outdoor training for leaders), Camp Osborn

LESS PAPER WORK

The new applications for boys or leaders is all you need, no additional enrollment forms to fill out.

"Instant Temporary Certificate", will answer the question - when do I get mine. Just have the boy fill out the new application, have his parents sign it, the leader sign it, fill out the Temporary Certificate, give the certificate to the boy and send the two copies of the application to the Scout Office.

PHILMONT SCOUT RANCH EXPEDITION

Your council plans a Philmont Scout Ranch Expedition for next summer. The group will go by chartered highway bus. We shall have 12 to 15 older Scouts of Explorers and one leader in our crew to fill the bus.

We have yet to select the leader and are waiting to set the date until we have him and find when he could be free for the 21-day expedition. They would spend 12 eventful days at the 132,000 acre Philmont Scout Ranch in northeastern New Mexico and would do sight seeing enroute by bus.

The cost per Scout is \$195.00 from Atlanta and return to Atlanta. Scouts must be at least 14 years old.

The group will hike and camp in the mountains, may participate in geological, archeological and ranching operations and ride horseback.

We invite applications for the leader's position. He must have had experience in camping as well as leading Scouts. We can supply information on the expedition for any interested Scouts.

EAST DISTRICT

ROUND-UP---We are coming down to the end of our Round-up. Our District needs 72 more boys to exceed our goal for the 1970 membership. Check your roster, Mr. Unit Leader, get out and recruit to meet your goals and receive the "Touchdown for Boypower" coffee mug. Units that have already met your goal, let's go that extra mile and keep your District NUMBER 1.

PHILMONT EXPEDITION

We now have nine Scouts who have made reservation for our Philmont Expedition next summer: from Albany: Bill Brooks, Terry Henderson, Dennis and Ricky Swartzell, Cole and Frank Powell, Robin Newcomb and John Knight; David A. Stone from Ft. Gaines.

Our group of fifteen Scouts and one leader will go with the Atlanta Council's Philmont group by chartered highway buses, departing from Atlanta. The fee from Atlanta and return is \$210.00. The group will be gone 21 days.

We have 6 places open at the time this is written. They could be taken quickly. We expect to select a leader for the expedition within 30 days. When we get the leader, the expedition date will be set to fit his vacation schedule.
