THE HISTORY OF SCOUTING IN SOUTH GEORGIA
Appendix Updated on: September 6, 2018

Chehaw Council Activity Patches from 1939 to the 1979

The Boy Scouts of America is known for issuing various patches to scouts who attend scout functions. Some examples are: Camporees, Scout Fairs, and Merit Badge Weekends. Below are the known Activity patches from Chehaw Council.

Chehaw Council has a long history of Okefenokee Swamp camping extending into the 1970s. See Okefenokee Appendix for more details on patch and camporee. The neckerchief slide is made of thin leather and has two rivets holding it together on the back. (It was cut on the back and flattened to allow for display and storage).

The purpose of the different color backgrounds is unknown. The best guess is that each represents one of the three districts which participated in the camporee.

Beneath the fire is 'N' Notchoway District, 'L' Lake District & 'E' East District. Held at Americus baseball stadium.
