Andersonville National Historic Patches

Each year Boy Scouts from Chehaw Council and Central Georgia Council assist the National Parks Department at the Andersonville National Historic Site in placing an American Flag on each veteran's grave for Memorial Day. Each scout receives a patch. The Girl Scouts from the area also assist; therefore, the patch contains the Girl Scout symbol as well as the Boy Scout symbol.

No specific patch was made for Memorial Day 2010, but the park had made a BSA Centennial patch, which was used by the Boy Scouts.

Chehaw Council Eagle Scout Coin

Coin given to each Eagle Scout in the Class of 2009.

Each coin has the scout's initials and the year on the reverse.

The coin pictured was presented to J. Michael Greene, the Class Honoree,
who received his Eagle in Chehaw Council in 1974.
