

Appendix 37 to  
***THE HISTORY OF SCOUTING IN SOUTH GEORGIA***  
*Appendix Updated on: August 21, 2023)*

## **Camp William S. Potter Patches**

Camp Potter served as the segregated camp for Chehaw Council until the mid-1960s, when all scouts began attending Camp Osborn. Since the 1960s there have been occasional Council events at Camp Potter and some individual troops have made use of it for camping. The camp was sold prior to the council merger.
