## **Camp Osborn Photos of 1998 Tornado Damage**

**On September 29, 1998, at around 4 o'clock P.M. an F1 tornado struck Camp Osborn. It struck on the south side of camp taking out a large section of trees. It then struck near the dining hall taking out most of the trees between the dining hall and the trading post. The person who took the photographs is unknown so proper credit cannot be given.**
