Jamboree Leadership Selection

The 1993 Jamboree Selection Committee met in May to select from a pool of applications. Travis Smith, Scoutmaster of Troop 366, was chosen as Scoutmaster, Sam Thompson with Troop 62 was chosen as First Assistant Scoutmaster, Milton Thomas, Scoutmaster of Troop 99, was chosen as Second Assistant Scoutmaster, and Tom McCurley, Scoutmaster of Troop 21 was chosen as Third Assistant Scoutmaster. Several applicants are being placed on the reserve list. The 1993 Jamboree leadership and committee will be meeting shortly to finalize the itinerary, transportation, and fees. The Jamboree fee is estimated not to exceed \$840⁰⁰.

The staff and committee will be promoting the Jamboree and will want to arrange a meeting with the Scouts and parents of your troop. For more information, contact the Scout Office at 436-7226.

Cub Resident Camp

Cub Resident Camp will be Sunday, June 28th to Wednesday, July 1. (Note: this date is different from the flyer that went out.) This is a great time for cubs to get together to go camping. Sara Causey is Camp Director and she always has a good program. The theme is: "Space: The Final Frontier!" The space is filling up rapidly, so cub leaders need to get your registration in, and come on out for a good time!

Eagle's Nest

Here is the new batch of Eagle Scouts for 1992. These young men are to be commended and encouraged in their search for excellence. We include for your consideration, a prayer for a son by Douglas MacArthur.

Prayer

"Build me a son, O God, who will be strong enough to know he is weak and brave enough to face himself when he is afraid; one who will be proud and unbending in honest defeat, but humble and gentle in victory. Build me a son whose wishes will not replace his actions — a son who will know Thee, and know that to know himself is the foundation-stone of knowledge. Send him, I pray, not in the path of ease or comfort but in the stress of difficulties and challenge; here let him learn to stand in the storm, here let him learn compassion for those who fall... Give him humility so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength; then I, his father, will dare to whisper, 'I have not lived in vain.'"

VICK'S VIEWS

From "Signs Up"
 A Collection of Scouting Parables
 told by Vick Vickery

LITTLE THINGS COMMUNICATE

Last Summer I had the privilege of visiting with a friend who had suffered through several years of World War II in a Japanese prison camp. Even as he recounted the experiences, I found it impossible to comprehend the degradation of human spirit which must take place in a prisoner-of-war camp.

I asked him if he and the other prisoners had any way of knowing how the war was progressing during those long months of imprisonment. He said, "Oh yes, that is what kept us alive." He recalled, that with some parts smuggled into the prison camp by Filipinos, one of the American prisoners built a short wave radio inside of a canteen. Each night he listened to the war news broadcast from the west coast of the United States. He then passed that news on through a man-to-man grapevine until every prisoner had received it. In this manner, there was regular kindling of hope. Communications through a small canteen radio kept alive the spirit of several thousand men.

Often we are prone to discount the value of little things as important communicators. Have you read the Scout Law, The Cub Promise, or the Explorer Code recently? Boys do not learn their meaning by reading them. Truth and meaning are communicated by the little things which they see in the lives of their leaders. They learn about trustworthiness by the way we fulfill our promises. They learn about duty to God by listening for our prayer of thanks at meals or observing how and where we worship God. They learn the importance of keeping one's self "physically strong and mentally awake," by observing how we care for our mind and body. What are we communicating?

These qualities of human spirit are passed on through a man-to-boy chain which is the heart and strength of Scouting.

Back to the Pack With the Polecats

The membership committee of our council is sponsoring a special event: "Back to the Pack With the Polecats" on August 10th. Each pack should contact their old members to sign them up for the coming year, recruit leadership to fill vacancies, and discuss plans for pack activities for the Fall. The ball game will be a great time to get everyone together to have some fun, too! Watch for more information in the upcoming month.

Low Country Boil Planned for August

Good seafood and a little Cajun cookin' will be planned for the Council's 4th Annual Low Country Boil. Shrimp, crawfish, catfish and all the fixin's will spice up the menu. I know you and your spouse will not want to miss it. For tickets and information, call the Scout Office.

Tour Permits Are Important

The Local Tour Permit is required for all groups to areas under 500 miles and is processed by the local council. The local council has the responsibility to approve or disapprove the plans of any unit planning to conduct a tour or expedition. Approval is based on meeting high standards, for leadership, transportation, equipment, program, health and safety, and business management as established by the Boy Scouts of America.

The National Tour Permit is needed for tours of groups traveling to areas 500 miles or over one way from home area (local camp excepted) or crossing national boundaries into the territory of other nations. This application should be submitted to the Local Council Service Center for approval **AT LEAST ONEMONTHBEFORETHE TOUR**. The Council Service Center will forward it to the Southeast Region for further approval.
