GENERAL INFORMATION

Scouts are to arrive at camp between 2:00 and 4:00 p.m. on Sundays and will leave camp at 9:00 a.m. on Saturday. In the event you need further information feel free to write to: Chehaw Council, 107 S. Jefferson, Albany, Ga. 31701; or call your Scoutmaster.

CAMP FEE

RESERVATIONS SHOULD BE MADE NOW. A registration fee of \$5.00 per Scout should be turned in to the Scoutmaster who must send this in to the Scout Office. The remaining \$12.50 of the fee (\$17.50) is due in the council office ten days before the week of camp begins. No reservation refunds will be made after May 16 except for (1) Where the boy's parents are transferring out of the council area before the week of camp is over, or (2) In the event that illness of the Scout prevents attendance and is certified by a doctor. Get your reservations in now to hold places in the week your Troop plans to attend.

TRADING POST

The Camp Trading Post will be open and will carry such articles as: handicraft materials, camp T-shirts, soft drinks, candy, etc. May we suggest from \$2.00 to not over \$6.00 for spending money?

TRANSPORTATION

Troop committee chairmen are responsible for seeing that care is taken in selection of cars and drivers as they arrange for transportation. Trucks should be used only for hauling gear and supplies.

FOLLOW THE RUGGED ROAD TO ADVENTURE

Camping is the great outdoor adventure of Scouting and the ideal way is the Troop camping under its own leadership. We hope you and your Troop will attend Camp Osborn this summer.

The success of the program in camp is not measured in terms of the number of badges acquired, but the extent to which the unit has learned to "stand on its feet", by its ability to use its boy leaders to train its own boy-members in various skills and to acquire new interests that serve to stimulate the building of unit program throughout the year.

Scout camping is not merely a pasttime but a purposeful experience in which the goal is character building, citizenship training and physical fitness. As a Scout or Explorer becomes at home in the out-of-doors, he absorbs some of the greatness of nature itself.

Max Hardy, Chairman, Camping Comm.

Jash Molder, Scout Executive

Ronald Tyson, Camp Director

Frank Will, Camp Business Manager

FOOD

Appetizing and wholesome foods will be served from the camp's modern kitchen. Mrs. Iva Adams, dietician of Camilla High School, will be our camp dietician again this summer.

Sorry, we cannot feed any visitors in the dining hall because of limited space. After supper there will be the ORDER OF THE ARROW CEREMONY AND TAP-OUT of candidates.
