SCOUT FAIR TO KICK OFF FEBRUARY 20th

Mark Saturday February 20th at
10:00 A.M. on your calendar for the
kick-off of tickets sales to your
1982 Scout Fair.

The theme of this year's fair is
"Footsteps of the Founder" and a color-
ful patch will be available for every
Cub, Scout or Explorer who sells 10
tickets. The tickets are \$1.00 and
besides admission to the fair each
buyer will receive a free Big Mac from
McDonald's.

For the Scout who sells the most
tickets in the council to this year's
fair, a Atari Video Computer game will
be his prize. Black and White TV sets
will be the prize for the most tickets
sold in each district.

Plan now and be present on the 20th
to get an early start selling tickets.

PRY RECEIVES THE BRONZE PELICAN RELIGIOUS AWARD

Much to Keith's surprise, the Cath-
olic Committee on Scouting in Georgia
awarded him the Bronze Religious Award
for his dedication and commitment to
serving the young people of St. Teresa's
Parish. This recognition, although
not awarded frequently, is cherished
by Catholic Scouters throughout Amer-
ica. Keith is one of the very few
non Catholics to receive the recog-
nition. Congratulations Keith Pry for
your work.

DAVIS TO HEADUP CUB DAY CAMP

Plans are being formulated for our
Cub Summer program and Ms. Diane Davis
of Pack 6, Albany has been asked to
be our Council Camp Director for Cub
Day Camp.

The camp will be held in five loca-
tions as last year but that is when
the similarity of the two camps stop.
Ms. Davis and her staff will be sharing
with the unit leaders their plans for
this summer in March.

Plan for your unit to attend camp
this summer the week of July 19-23.

MESSAGE FROM THE CHIEF

The uniforms of the Boy Scouts of
America symbolize the purposes of our
movement: charter development, citizen-
ship training, and physical and men-
tal fitness.

Wearing a uniform gives both youth
and adult members a feeling of person-
al equality, bringing together people
of different racial, political, reli-
gious, and geographic backgrounds
in the Scouting tradition. It identi-
fies youth and adults as members of
the Boy Scouts of America, visible as
a force for good in every community.

The uniform is a reminder to every
Cub Scout, Boy Scout, Explorer, and
adult of their commitment to our i-
deals. It makes visible our members'
commitment to a belief in God, loyalty
to country, and to helping others.

The leaders of Scouting- volunteer
and professional- promote the wearing
of the uniform on all suitable occa-
sions. On Monday, February 8, 1982,
we will observe the 72d birthday of
the Boy Scouts of America. I whole-
heartedly endorse the designation of
this date as Uniform Day and hereby
urge all youth and adult members to
wear their uniforms as a visible re-
minder of the significant role the Boy
Scouts of America occupies in the com-
munities of our nation.

CHEHAW COUNCIL #1 IN REGION

You can be very proud of your coun-
cil's membership growth when compared
to the past five years. You have grown
faster (43.77%) than any other of the
75 councils in the Southeast Region
of the Boy Scouts of America (Lexing-
ton, KY has 50.65% increase but they
absorbed a council in 1979).

The council also had an 36.36% in-
crease in units which is the largest
of any council in the Region includ-
ing Lexington (+27.25).

Your council is number one.

ADVANCEMENT REPORT NEEDED FOR BADGES

When requesting advancement badges,
a report needs to be filed listing the
Cub, Scout or Explorers name and what
badge to be awarded. Effectively im-
mediately the office cannot issue any
recognitions without this report.

VAGABOND MARIONETTES PRESENTS CINDERELLA

The Arts Department of the Albany
Junior Woman's Club is sponsoring the
Vagabond Marionettes performance of
"Cinderella" at the Albany High School
Auditorium on Saturday, February 6,
1982 at 10:00 A.M. and 2:00 P.M. The
admission price is \$1.50. Advance tic-
kets will be available at U-Save-It
Pharmacy, Freckles N' Frills and
Pets N' Pals at the Albany Mall after
January 18. Refreshments will be sold
at intermission.

FROM THE CAMP DIRECTOR ABOUT CAMP ABUSE

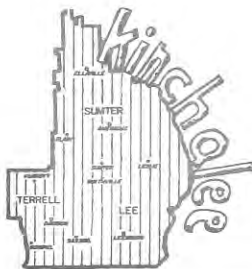

Although I have only been assoc-
iated with Camp Osborn less than a
year, I have come to be quite attached
to our beautiful Scout Reservation. Re-
cently a visit to our reservation
prompted this article. A tree bleeds
the same as you and I. If the cut is
deep enough it will also die. Many
trees are bleeding on our reservation
because of carelessness, neglect and
stupidity. Please don't cut or allow
to be cut any live trees. Watch your
fires and leave no fire pits. Garbage
brought in should be taken out; not
littered throughout the campsites or
thrown in the pool. Buildings are off
limits unless properly reserved. Week-
end camping is not permitted in the
Camp Staff area. Please use Creek
Lean-To's.

Please help us take care of your
camp.

DISTRICT CAMPOREE

The Spring Camporee is fast approaching and much time and planning has been spent, to make this event one of the best and biggest camporees ever. Packets containing information about advancement classes and competition will be sent out in February so all leaders will have time to prepare to attend. More information will appear in March issue. Camporee Date: April 2, 3, 4.

UNITS

In talking with different leaders some units are busy and hard at work. Troop 229 braved freezing temperatures in December to camp out and earn O Degree Camper Patch. Troop 21 is preparing for early Spring canoe trip. Post 70 is off to the canyons for camping trips, and Posts 221 and 70 are gearing up for their treat to Gatlinburg, Tennessee to tackle the ski slopes. As you and so many units are busy, if your unit has something coming up let us know, it may give other units ideas.

ROUNDTABLES

Roundtable attendance has been way down, please mark your calendars to attend in February. All adult leaders should attend, this is the place for new leaders to learn and gain knowledge. For the experienced leaders its a time for us to gather and fellowship and exchange ideas. Let's all make it out on February 9th.

RE-CHARTERS

All leaders with re-charter packets please get them filled out and return to the Council Office as soon as possible. If you need help, please contact Jim Floyd or Ed Harvey.

NEW EXPLORER POST

The First Methodist Church of Tifton organized an Explorer Post for their high school age young people. Nelson Foster is the advisor and is showing a great deal of enthusiasm for the program. Also, the Church not only sponsors Post 62, but also Troop 62 and Pack 62.

1981

1981 was a good year for the East District. Though all the goals were not all met, we did one tremendous job. We had a good membership increase.

The Scout Fair and Camporees were a lot of fun and we had several young men to complete work on their Eagle Award.

With 1982 already underway, the East District promises to have even a greater year than 1981!

ATTENTION SCOUTMASTERS

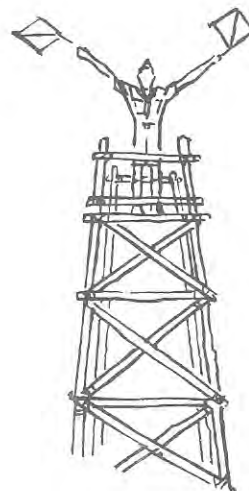

Tim McRae, advisor to the East District O/A Chapter requests that you provide him a list of all O/A members in your unit. Mail to him c/o of the Council Service Center.

UNITED WAY

Remark, the Boy Scouts is part of the Tift County United Way and the money you pledge goes to the operating expense. Give generously, when a United Way volunteer calls.

SCOUT FAIR KICK-OFF

Every Pack, Troop and Post should plan now to participate in the Scout Fair to be held April 17. The Scout Fair does several things, first it gives young people an opportunity to show off their skills. It also presents a unique opportunity for the general public to observe a montage of Scouting in one location. Finally it is an opportunity for your unit to raise much needed funds for your unit treasury. On Saturday, February 20th at 10 A.M., Radium Springs Elementary School, we will have our Ticket Sales Kick-Off. At this meeting a unit representative will be given all the information and materials for your unit to participate. Please have someone there to accept your materials. Failure to do so will only penalize your kids by delaying the delivering of their tickets. See you there.

SUMMER CAMP SIGN UP

Summer camp is the highlight of a Scouts year. Please help them experience this event in 1982. Begin by selecting a week when you would like to attend and reserve your campsite. We hope every troop will be able to attend but if not please extend to your Scouts the opportunity to attend as a provisional camper. Promotional materials are available and I will be happy to attend your troop meeting to discuss this and answer questions for your boys, adults and parents.

ROUNDTABLES BETTER ATTENDED

The word is getting out. Roundtables help provide program helps. Come see for yourself. Roundtables are held the second Tuesday of the month at Radium Springs Elementary School at 7:00 P.M. These meetings are available for any Scouter or prospective Scouter to attend to provide program ideas. We hope to see you there in February.

1981

The Blackshear Trail District had a great year. We were over our goal in Cub Scouts and Explorers and only missed our unit goal by one. With everything to consider, the district had a very very good year.

The District Chairman has started with a running start by organizing a Cub Pack in Abbeville and now he is working on organizing an Explorer Post. With his leadership, the Blackshear Trail District will be the best in the Council in 1982.

NEW UNITS

In the month of December, we organized a new Explorer Post at Peavy Methodist Church. The Explorer Advisor is Pam Brooks who is also the MYF leader. They have about 15 members and will be a general interest Post.

During this month, another Post was organized. This Post is sponsored by the Crisp County Hospital, and will have an emergency medicine specialty. Randy Sauls, the advisor is in charge of the County EMT program and will be giving all of his talents and experiences to making the Post go.

S.M.E.

1982 is an S.M.E. year. We advance toward our goal of 9,000, we will keep everyone informed. For those of you new to Scouting, S.M.E. stands for Sustaining Membership Enrollment which is the method of fund raising the council uses to off set operating expenses.

When a volunteer calls on you, give a good gift.

ACTIVITIES

We have got some good things going on in the near future. First we have the Scout Fair Ticket Sales Kick-Off, the Scout Fair, the Spring Camporee, and don't forget about Summer Camp. Make your plans to attend these program activities and experience Scouting at its best.

SCOUT FAIR KICK-OFF

February 20th, 10:00 A.M., Chamber of Commerce.

NEW BEGINNING

The New Year is now here and I hope everyone had a happy one. I have only been in the district since October 26, 1981, but together we have accomplished a lot in these 3 months. In 1982 we can accomplish even more and make District 6 the best in the council. Its going to take time, money, and work. If we all do our share we will succeed.

SPRING CAMPOREE

Camporee is coming up in March on the 26, 27, and 28th. It will be held at Kolomoki State Park. Please make plans to come because it will help your troop to become more informed on the Scouting program. For example, areas in working toward advancement, camping, and just good old fashion fun and excitement.

NEW PEOPLE

Our new District Chairman is Phillip Moore and our new District Commissioner is Randy Carver. These two fine gentlemen have devoted themselves to one of the finest organizations in America. They are determined with your help that Chehaw Council and District 6 is going to have the best year ever in 1982. When these gentlemen call on you please take the time to listen and then accept a volunteer position in the Boy Scouts of America. A job you want regret given time to because "it doesn't matter what you have a hundred years from now, but that you, helped a boy become responsible to God, Country, and to himself

CONGRATULATIONS

My thanks go to Ray Perkins who has faithfully filled the position of District Chairman for 1981. Ray has worked hard to make District 6 the best and I know he will continue to work just as hard in 1982 as he continues his work as Scoutmaster. Thanks again Ray for all your help.

SCOUT FAIR KICK-OFF

February 20th, 10:00 A.M., First Methodist Church.

THOUGHT OF MONTH

Accomplish the race set before you. Attend all Council programs they are for your benefit.

All districts in the council will be sending Scout Troops to Summer Camp all except this district. No one has signed up yet.

By not going to Summer Camp, a boy misses out on the long term camping experience, he misses the opportunity to develop important scout skills, he may not be able to complete all of the merit badges for his eagle award, he is not eligible to be elected into the Order of the Arrows. In short, a boy misses a lot by not coming to camp. Want you help by reserving your site for camp now. The camp sites are already filling up and if you want a special site, you need to speak up now.

SCOUT FAIR

The 1982 Chehaw Council Scout Fair will be held on April 24 at the Lyons Club Fairgrounds. The site Chairman for Cordele will be Sam Irwin Jr. Sam has already started his planning and recruiting for fair participation. Sam has said that this years Fair will be the "biggest and best in Cordele".

Ticket sales for the Fair started on February 20, 1982 at the Chamber of Commerce in Cordele. This will be a fine money raising opportunity for your unit.

Remember, the Scout Fair will promote Scouting to the public, give your unit a fund raising project, and, promote your unit and Scouts to the public.

NEW MEDICAL EXPLORER POST

Crisp County has a new Explorer Post sponsored by the Crisp County Hospital. Randy Sauls, Director of the Crisp County EMT's will be the Post Advisor. Randy is bringing a great deal of excitement and enthusiasm to the Post and we want to wish him the best of luck with his Post.

LOCAL SCOUT RECEIVES HONOR MEDAL

While on a rafting trip with a youth group from the First Methodist Church, Albany, Georgia on the Ocoee River in North Carolina, a raft overturned in the "Table Saw Rapids". All eight occupants were flipped into the rushing waters. Six found safety. Chuck Dayhuff had a hand hold on a safety line that had been tossed to him, Day Joiner did not; as she was rushing down stream to a second set of rapids and a water fall, Chuck released his safety line and went after her and safety brought to land.

Presenting the Honor Medal to Scout Dayhuff was Maj. Gen. Larry Sullivan of the Marine Corp Logistics Base-Albany at the Council Banquet, February 6, 1982.

ST. TERESA'S SCOUTMASTER USSERY HONORED

Only six scoutmasters in the eleven states of the Southeastern part of the United States will be presented the National Eagle Association Scoutmaster Award. Our own Carlton Ussery, Scoutmaster of Troop 3, St. Teresa's Catholic Church, Albany, was presented this special recognition at the Council Banquet, February 6, 1982. A special congratulations to you, Carlton for a special job for so many Scouts.

CUB DAY CAMP PLANS ANNOUNCED

CAMP BEAR CLAW, a "wild and wooly world of Cubbing" will be open for all Cub Scouts July 19 thru July 23, 1982. Cubs from the Flint and Pathfinder districts will attend at the Albany Marine Base; Kinchalee will go to Georgia Southwestern College; East district will be held at ABAC; Black-shear Trails goes to Georgia Veterans State Park; and Kolomoki will hold theirs at Kolomoki Mounds State Park. Boys will receive applications in the mail and all packs will be given extra copies.

Exciting plans are under way. Mrs. Diane Davis, Council Camp Director, recently attended National Camping School for three days, along with Mrs. Sara Causey of Arlington who will conduct the Kolomoki site, and Ed Harvey, District Executive from Kinchalee District. They are now Certified Cub Scout Day Camp Directors. They have some adventurous activities planned including several mystery guests. We urge you to promote this excellent activity. Packs will earn one month's credit for the summertime Pack Award if they participate with 50% of their registered Cubs.

Staff recruiting is now being held, we need lots of help. Please call Diane at 439-2998 or leave a message for her at the Scout Office if you wish to contribute your leadership or expertise. The success of our Council's Day Camps depends on volunteers such as you. AND don't forget to promote CAMP BEAR CLAW.

FORMER PHILMONT STAFF MEMBERS SOUGHT

Any volunteers who has served or know of someone who has served on the staff at Philmont Scout Ranch is asked to let the Council Office know as soon as possible.

PHILMONT AND CHARLES L. SOMMERS HIGH ADVENTURE TRIPS ARE SELLING OUT FAST

This year will be the first time our Council will be sending two groups to two different Boy Scout High Adventure Bases, and they are filling up fast. Only one space is available for the Sommers trip and eleven on the bus load going to Philmont. "We are very excited to say the least with this response to these two great programs in the Boy Scouts" said Paul Eleazor, Council Camping Chairman. Now is the time to start planning for the summer of 1982.

Adult volunteers who would be interested in making one of the '83 High Adventure Base trips should get in touch with the Council Office as soon as possible. Plans will be developed this spring for next year.

INCREASE SCHEDULED FOR BOYS' LIFE SUBSCRIPTIONS

Subscription rates for Boys' Life magazine are scheduled to increase as of September 1, 1982.

Regular rates for non-BSA members will be as follows:

- One year - \$10.80
- Two years - \$19.80
- Three years - \$28.80

Registered members of the BSA will continue to qualify for a discounted price under the concession plan. All subscriptions for youth members are entered through registration in a Cub Scout pack, Boy Scout troop, or Explorer post. For adults registered other than with a unit, a Scouter registration form must be completed.

Under the concession plan, a 1-year subscription will increase to \$5.40. The monthly rate for subscriptions fewer than 12 months will be 45 cents per issue, with a minimum of 2 months required.

All subscriptions expire with the second issue beyond the charter expiration.

HOWARD RECEIVES GOD AND CHURCH AWARD

Troop 111, Sherwood Baptist Church, Albany has a new God and Church Religious Award recipient. Stephen B. Howard III was presented his award by his pastor Edwin Cooper of the Christ United Methodist Church.

"To recognize a young boy who understands his duty to God better through working in the Boy Scout God and Church program is one of the real rewards being a volunteer," said Max Corner, Council Vice President for Membership.

COUNCIL GROWTH AHEAD OF ALL 75 COUNCILS IN THE SOUTHEAST REGION

It was announced on March 5th that your Chehaw Council has grown larger percentage wise than any other Council in units and membership in the Southeast Region of the Boy Scouts of America.

"Our growth is ahead of all of the other 75 Councils in our region" said Eley Frazer and we are proud of the job Max Corner's Membership Committee is doing in keeping the growth moving upward. We are reaching for the 6,000 Scout this year.

COUNCIL HAS ONLY 5 WORLD JAMBOREE SPACES AVAILABLE FOR 1983

Five Scouts in the Chehaw Council who are between 14 and 18 years of age by July 4, 1983, at least a first class scout, and who meet health and physical fitness requirements are eligible to attend the 1983 XV World Scout Jamboree, July 4-14, 1983. The approximate cost is estimated to be between \$1600 and \$1700.

The Southeast Region contingent will travel from Atlanta to Salt Lake City, Utah by plane and to the Jamboree site in Alberta, Canada by bus. They will leave on June 30th and return home July 16, 1983. En route to the Jamboree, the troop will visit such attractions as Yellowstone National Park, Flag Ranch Wyoming, and Big Sky Montana.

Applications are available at the Council Office and are limited.

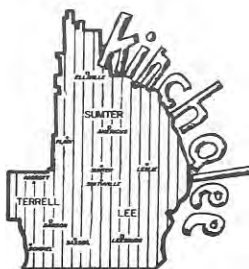

NATIONAL MEETING TO BE IN ATLANTA

For the first time in a number of years the National meeting of the Boy Scouts of America will be in our backyard, in Atlanta on May 20-22, 1982. This will be an opportunity to attend a meeting of this type without traveling long distances. More information is available at the Council Office.

MARCH ROUNDTABLE WAS THE BEST EVER

Under the supervision of Bruce Garey and Keith Pry, the theme "Going Places" was carried out beautifully.

All of the scouters in attendance went on an excursion to the Waldorf Astoria Restaurant in New York City with Bruce as the "cook" and Keith as the "chef".

A menu consisting of twenty-five (25) items beginning with "jersey's best" and ending with "cool conclusion" was given to each in attendance. Each person had to select five items from the menu. That was fun. No one knew what his selection was until it (the food) was served.

Exotic dishes from ice cream to meatballs were served. Bruce and Keith purchased the food with their own funds.

A skit "Going in Style" was presented by volunteers. It was great as well as enjoyable.

The following packs and troops were represented:

Packs 3, 111, 504, 99, 6, and 102.
 Troops 113, 3, 11, 204, and 204.

We are looking for the rest of you at our next roundtable.

SCOUT ROUNDTABLE

Over the bridge-Webelos leaders and Scoutmasters had a real eye opener this last Roundtable, whose fault is it that the cross over from Webelos to Scouting is so difficult.

Lyle Howard, Roundtable Commissioner had Scoutmasters and Webelos Leaders talking about the problem and what can be done by each to make sure Webelos have a smooth crossing over. It was one of the liveliest roundtables. Looking forward to seeing you Tuesday, April 13 at 7:30 P.M., St. Paul's. Theme "Look Out Below."

SCOUT ROUNDTABLE

A change has been made in the meeting time and place of the Scout Roundtable. New time will be Wednesday April 14th at 7:00 P.M. in the meeting room of the Sumter County Bank. All leaders are urged to be there for fun and for learning Scouting.

50 YEARS

Congratulations to Troop 21 sponsored by the Americus Kiwanis Club on reaching its 50th birthday. A big celebration is planned for April 17th and special guests will honor this troop with such a rich tradition of seeing Americus.

SCOUT FAIR

Kinchalee District will hold its Scout Fair at Reese Park, April 24th. From early ticket sales and response from unit leaders, all scouters can expect to enjoy a fun day of scout skills and activities.

DISTRICT PINEWOOD DERBY RACE

At this time all packs should have had or are preparing for unit races. All units 1, 2, 3 place finishers will be allowed to compete in the District run-offs which will be held at the Scout Fair on April 24th at Reese Park in Americus with weigh-in starting at 10:00 A.M.

CUB ROUNDTABLE

The new meeting place for Cub Roundtables will be the First Baptist Church on South Lee St. in Americus. The meeting time will be the first Tuesday of April at 7:15 P.M. A new training program will start. All leaders are urged to attend.

TRAINING

Starting with the April Roundtable meeting a training course for Scoutmasters and assistant Scoutmasters will start. All new leaders need this training.

SCOUT FAIR

The Fair is coming along quite well. Many units are selling tickets like they are going out of style. Remember, you only have about 3 more weeks to work on your displays. Some of the other groups that will be present will be, the Tifton Police with a finger printing and drug display, the Agarama with a living history display on shingle splitting. We will also have some "horn" raiders and a few other surprises too.

S.M.E.

The 1982 S.M.E Chairman for the East District will be Ralph Edwards. Ralph is no new name to Scouting. He has served in this position before as well as served on the Chehaw Council Executive Board and is currently a member-at-large of the council and is a member of the District Committee.

Remember, when Ralph comes to you for help, give him a hand and we will get the fund raising over in the quickest possible time.

SCOUT CAMP

The time is running out to get the site you wanted for summer camp. There are still some sites open during the 4th week, but these are going fast. If you plan on having a long term camp this year, you need to reserve your slot now.

SPECIAL THANKS

The East District would like to recognize Mr. Jerry Webb, Station Manager for WWGS and WCUP. Mr. Webb gave the Boy Scouts good publicity during Scout Week and will be doing a "remote broadcast" from the Scout Fair. Thanks a lot!

SCOUT FAIR

The 1982 Scout Fair is moving along very well. There is already a commitment from numerous scout units and community groups for participation. Some of the activities will be a "Horn Radio" Club, and a model airplane club to name a few. Carlton Farmer has stated that his troop will have a model campsite complete with a 25' signal tower. The Fair is already going to be at least twice as large as the Fair was last year. Ticket sales are not going as well as they could be, but we are going to sell more tickets than last year.

SUMMER CAMP

There is very slim pickings as far as camping sites and time is concerned for summer camp. The only open dates are the 4th week and there are only a few camp sites open. The time is now for your to sign up for summer camp.

ROUNDTABLES

We are holding the Roundtable meetings at the Education Building of the First Presbyterian Church in Cordele. The Education Building is located behind the Church and across the lane. The next meeting will be on April 13 at 7:30 P.M.

I'M BACK

Its good to be home from Dallas. I have come home with a lot of information that is going to help our district. However, I cannot do it without ya's help, so in the very near future their is going to be training courses offered to all volunteer workers. So please come so that our young boys can have the right type of program for their benefit as well as yours.

NEW WORKERS

Congratulations to Billy Miller, Dan Harris, Clint Alexander, Hal Had-dock for becoming members of the Boy Scouts of America as district volunteers. Billy as our new Activities Chairman, Dan as our new Advancement Chairman, Clint as our new Finance Chairman and Hal as our Scout Round-table Chairman. I am looking forward to working with these men.

SCOUT FAIR

I hope by now each one of you are selling tickets and getting your exhibits ready for the Fair. The Fair is your way of showing people and making money for your unit. So lets have a 100% from all of you. This is a first for the Kolomoki District having its own Scout Fair so lets make it successful.

TOTAL DEVELOPMENT FUND

Total Development Fund is still part of our Scouting program. This is to reconstruct and add on to Camp Osborn where we have several units and lot of boys going from our District. So please pledge whatever you can to give these boys a camping experience they all will remember.

SME

Sustaining Membership Enrollment has begun so please do your part financially to help the one of the greatest youth organizations in the world to keep functioning through the use of a District Executive in your area. Our goal is see all the prospects to raise 8,000 dollars in four counties.

THOUGHT FOR THE MONTH

Elaine has a big job ahead as she forms a commissioner team. We need three assistant District Commissioners and fourteen Unit Commissioners. Also we need a Boy Scout Roundtable Commissioner and staff. We need your help in identifying prospective commissioner staffers. We will train them in helping you. The purpose of the commissioners is to serve and support the unit leaders. Please help us find these people. EAGLE IN KOLOMOKI,
FIRST IN ELEVEN YEARS

It has been quite a while since the four counties of the Kolomoki District has had a Eagle come from one of their troops, but Troop 89, Edison, can say they have one.

Eagle Scout Cole Strickland stood his Board of Review in the district in February. "We are very proud of Scoutmaster Tom Allen and his program for young people in Edison and the Edison United Methodist Church for their sponsorship" said Eley Frazer, Council President.

We understand the second Eagle in Troop 89 is just around the corner in completing his requirements.

ROUNDTABLES

By the time you read this we will have had our 1st Roundtable meeting. I hope you were there.

District 5 Continued

SPECIAL THANKS

There have been some very special people in the Blackshear Trail District. I would like to thank Sam Irwin for his contribution to the Scout Fair and outdoor program of the district. Bill Stewart has been working hard on the district committee. Finally, a special thanks go out to all the people who showed up for our Roundtable and District Committee meetings.

NEED

The District is in need of persons to serve as unit commissioners, ass't. Scoutmasters, Den Leaders and unit committee people. You should encourage and invite everyone you meet to become members of this fine organization we call Scouting. If it is worth your time, it is worthwhile for others too.

District 3 Continued

WHATS GOING ON?

On March 13, Pack 62 sponsored by First Methodist Church in Tifton held their Pinewood Derby. It was a highlight of the year for many Cub Scouts.

Troop 559 sponsored by American Legion Post 559 is planning a trip to Disney World in the near future.

Troop 62 helped out during the heart and soul run on March 27 and has just come back from a canoe trip.

Whats going on with your unit? We would like to know.

EAST CHAPTER OF THE O.A.

We held our second meeting on March 11th and reported that there will be 5 more brothers going through the Ordeal this summer. Tim McRae and his band of indians are doing a good job and will be one of the strongest chapters in the Lodge in the near future.

DISTRICT PINEWOOD DERBY

Our district run off will be at the Scout Fair, April 24th, 1982 starting at 10:00 A.M.

CARTER HONORS HOGG

"If Charlie Hogg had been my Scoutmaster, there is no telling what I might have accomplished" was the theme of a very inspirational tribute to the Troop 21 Past Scoutmaster by President Jimmy Carter.

At the fiftieth Anniversary of Troop 21 sponsorship by the American Kiwanis Club, 97 of the troop's 106 Eagle Scouts going back to 1939 were on hand to pay a special tribute to their Scoutmaster Hogg and the reunion of Eagles. Some of the eagles had traveled from California and Washington State for the ceremonies. President Carter gave a special address which was carried live by two local radio stations and covered by two TV stations, Boys' Life and Scouting Magazines.

In addition to the reunion of and Hogg tribute, four new eagles were presented their Eagle badges by the President. Over five hundred parents and friends of Troop 21 and Charlie Hogg were in attendance at Georgia Southwestern College Saturday night, April 17th, 1982.

NEW RECORD

Neither rain, wind or just plain bad weather could keep the scouts of the district away from the Spring Camporee on April 2-4. A record turn out made it for all the fun and action (103 scouts). Many thanks go out to T. J. Crittenden and his Camporee Staff for such a great job. Top finisher overall was Troop 21 receiving the Presidential ribbon.

SPRING AT LAST

With the coming of nice weather, leaders don't forget about your prospective summer camp programs. Boy Scout Summer Camp is quick approaching so if not signed up, please do so now. Camp Director Steve Taylor has put together a fantastic program for the summer, don't miss out.

Cub Scout Day Camp set for July 19-23 is shaping up and its one that all boys will remember for sometime. Camp Director Debbie Albert can still use additional camp staff members, so lets all pitch in and help in some way. Looks like a busy summer but one loaded with fun for the scouts of the Kinchalee District. (See back page for transmitting your cub applications.)

NEED HELP

Any units throughout the council that would have any old camping equipment that they no longer use, don't discard, for we have some new units that could put it to great use. If you have these type items please contact Ed Harvey through the Scout Office. Thanks.

WELCOME

The Kinchalee District is pleased to welcome Troop 282 to the ranks, a new troop sponsored by the Americus Rotary Club. Tom Linden of Smithville is new Scoutmaster and has already had the unit to a camporee. Good going Tom and welcome aboard.

SCOUT FAIR

This years Scout Fair was a great success and the following people share in the credit. First is Harold Buffington who was our all Scout Chairman. Harold organized the Fair and recruited the other exhibits that were so interesting and educational. A special thanks go to David Hege, who helped with the publicity, and concessions; Sgt. Bennifield was responsible for the national guard exhibit.

The East District would also like to thank the Tifton Police and Fire Department.

We would not have a Scout Fair with out Scouts and their leaders, last but not least, a very special thanks to all of the troops and packs that helped make this year one of the best ever.

CUB DAY CAMP

This year Cub Day Camp will be held at ABAC from July 19-23. There are going to be many activities ranging from arts and crafts to archery. We hope to have some special guests that will demonstrate hobbies of interest to the Cub Scouts. If all goes well, we will have on the last day, a very big banana split. (See back page for transmitting your Cub application.)

CAMPOREE

No one would have believed it, but there were about 50 people at Camp Osborn with snow sleds searching for gold. Travis Smith, did a good job of organizing the actual events, and the overall quality of the camporee.

The overall winners were all the patrols that competed. Troop 31 did a good job on winning the scoutmaster race.

SME

The East District 1982 SME Campaign is under way and workers are being recruited now. When the worker calls on you, give generously.

IDENTIFY AND RECRUIT

New members - The success of any Scout unit depends on the on-going recruitment of new members. Be aware that boys who will be graduating from the second grade may now be recruited to join your den and pack. Boys who will be graduating from the fifth grade can become Scouts. Don't make these kids wait until September. Ask them now. Very few boys will come to you, you need to invite them. Scouting cannot affect the life of a boy unless they are a part of the program. Very soon I will have a list available of boys who want to join which has been compiled through a survey in the schools. This information will be shared with you. We will conduct school nights with your co-operation. Let's involve these boys in the fun of summertime activities.

YOUR COMMISSIONER NEEDS YOUR HELP

Elaine has asked that each Scouting co-ordinator review your adult committee (except unit leaders and assistants) and identify an adult who would take the training to become a commissioner or service team member. A unit commissioner is responsible for making a monthly contact with the unit and is responsible for working as member of the commissioner team to keep the units healthy. We will meet with any interested volunteers to assist them in understanding the responsibilities of the commissioner. Elaine and I will be making contacts with the Scouting Coordinators to receive the names of your suggested commissioner.

SCOUT FAIR

This years Scout Fair was a very big success due to the actions of the following people, Sam Irwin, Scout Fair Chairman, Joel Haley, Participation Chairman, Don Sims, Program, Bill Stewart, Publicity and Ticket Sales Sam Irwin.

I think you will agree that this was one of the best Scout Fairs held in Cordele, in a very long time.

SUMMER CAMP

The 1982 Summer Camp of the Chehaw Council will begin very soon. Summer Camp is the best place to gain Scouting experience in that you live in a tent for a week, have an opportunity to work on merit badges and have the fellowship of Scouts from other troops. Don't let this years summer camp pass you by.

CUB DAY CAMP

This years Cub Day Camp will be held at GA Veterans Memorial State Park outside of Cordele. This will be a highlight of any Cub Scouts year and none will want to miss it. There are some special activities that we will introduce that have never been done before. (See back page for transmitting your Cub applications.)

SME

The 1982 SME Campaign is headed up by Bill Shannon. Bill is not new to fund raising, he has worked on the Total Development Fund of the Chehaw Council, the Heart Fund and many other campaigns.

Sustaining Membership Enrollment (SME) is the program the Chehaw Council uses to supplant the operating funds the United Way does not help with.

ROUNDTABLES

We have just had our 2nd roundtable and I would like to thank each of you that attended. We still need more participation from scoutmasters and other leaders. This is a time for leaders to receive training, express your ideas, and have alot of fun and fellowship. So put May 3rd on your calendar for the next roundtable meeting at Damascus First State Bank at 7:30 P.M.

SME

Our Finance Chairman, Clink Alexander and his committee are hard at work enrolling members for financial support of the council. If they call and ask for your support and help, please do it willing, because you will be helping the Boy Scouts of America to grow.

TRAINING

Shortly we will be having a Boy Scout Leaders Development Course for Scoutmasters to quality for Woodbadge. This is good training for you, so please attend, May 6th at 7:30 P.M., Blakely Library.

CAMPOREE

I would like to thank each unit that participated in our Spring Camporee. It was a success but lets make our Fall Camporee even better. This can be done with full support from all the units.

THOUGHT OF THE MONTH

Set goals and go after them, you will be surprized what you can accomplish.

THE INADEQUATE DISTRICT EXECUTIVE

A District Executive could spend 12 hours a day, 7 days a week calling on unit meetings. Or, those hours could be spent on businesses and other people to financially support the council's budget. Or, those hours could well be used for organizational work with program activities, camps, training courses, meeting with the dozens of other committees that comprise the council. Or, this time might be consumed with the recruiting of new youth in our units and organizing new units. Or, those 12 hours could be spent in the study with a great good of profit in public gathers making talks on the benefits of the Boy Scouts of America and America's youth. Activities, other meetings and community, civic service and their families must be worked in somewhere.

So a District Executive, any District Executive must forever remain inadequate. The attempt can be made to cover five fields of endeavor in part, devoting about 20% of the time to each, leaving each job 80% undone. Hence, the term "inadequate district executive". Inadequate, busy, always on call, always behind in the work, the District Executive knows it is one of the best jobs on earth.

Help your District Executive. They are the only Scouters of the Council who have no district executive.

CUB DAY CAMP REGISTRATION

Most, if not all, of the registered Cub Scouts and their leaders have been mailed a Cub Summer Programs brochure. If you know a boy who needs an application, the Scout Office has a few more on hand. We want all our Cubs to know about Camp Bear Claw. Please "talk it up" at your den meetings, pack meetings, roundtables, anywhere it will generate interest. Let's promote Cubbing and keep the boys active during the summer. AND, should you wish to volunteer during July 19 thru July 23, great! Call the Scout Office and someone will get back with you.

1982 BSA NEW PHOTO SCHOLARSHIP
AWARDS ANNOUNCED

Eastman Kodak Company has sponsored for the past eight years the BSA Photo Scholarship Awards program. Qualifications required entrants to have earned the Photography Merit Badge, be eleven but not yet sixteen years of age, and registered as a Boy Scout.

Much interest has been expressed by Cub Scouts, older Boy Scouts, and Explorers to enter the competition. After careful study, and in agreement with Eastman Kodak Company, the photo contest for 1982 is open to any registered youth member.

Applications are available at the Council Office.

BULLETIN OF CHEHAW COUNCIL, BOY SCOUTS OF AMERICA

ISSUE NO. 264

May 25, 1982

Foundations for Growth is Here!!

- Researched, developed, tested, and proven over 3 years.
- A unified package adding more vitality and excitement to Scouting *four ways*:

TIGER CUBS

An all-new Scouting program for the seven-year-old boy and an adult. Informal, inexpensive, and lots of fun. Easy to operate—little added responsibility for packs—yet a ready reservoir of new members and adult volunteers in the years ahead.

TODAY'S FAMILY

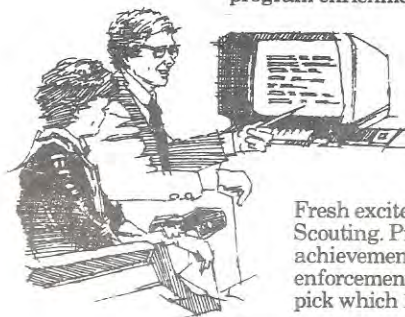

A new approach to America's changing family life-style. Designed to improve Scouting's service to the children of single-parent families or dual-earner families, yet a real benefit to any child from any family. The *Prepared for Today* activity book can be used by non-Scouts, and it's a great program enrichment for Cub Scouts, too.

EXPLORER MARKETING

Tools and techniques to tell the Exploring story to key audiences. Builds awareness and understanding of the Scouting program with the most growth potential.

BEAR ENRICHMENT

Fresh excitement and flexibility for the second year of Cub Scouting. Proven to help keep boys active in Scouting. New achievements—computers, cooking, biking, models, sports, law enforcement, and more—for a total of 24. New choice—boys can pick which 12 achievements they'll do to earn their Bear badge.

WOULD YOU BELIEVE 1776 FAIR TICKETS SOLD BY A CUB

You can say Cub Scout Don Kelly is Super Cub Fair Ticket Salesman in our council and maybe the nation. He sold 1776 tickets to everyone he saw in the selling period. When asked at a Council Executive Board Meeting how many "no's" had he got, he said "he wasn't sure but it must have been about two thousand.

Don is a Bear Cub in Pack 62 in Tifton. Of course he won the Council Grand Prize of an video TV game set.

District three winner of the TV set was Cub Scout Jay Taylor of Pack 31, and District two winner was Cub Scout Michael Bridges. No one qualified as district winners in district one, four, five and six.

More details about the Fair success will be public in the July Drumbeat, but to date more people saw more displays in more sites and bought more tickets to the '82 Fair over the '81 Fair.

SCOUT FAIR TICKETS OUTSTANDING

SCOUT FAIR A BIG SUCCESS

On April the 24th the Exchange Club Fairgrounds in Albany was alive with Cubs, Scouts, leaders, family and friends. The booth's were action packed. The Scout skill outdoor displays held large crowds, and the state patrol seat belt display had cubs, scouts and leaders lined up for a try at the seat belt ride.

Units that had booths in the Fair had a great time. Units that did not have booths could really be cutting their boys short on program and a chance to see what Scouting is doing across the district.

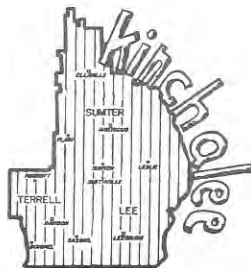

CUB ROUNDTABLE-SCOUT ROUNDTABLE

There will be no Cub Roundtable for June and July, but there will be a combined Cub and Scout Roundtable at St. Paul's on August 10 to get us off to a good start for the 1982-'83 school year.

SPECIAL NOTE FOR DISTRICT 1

Bus transportation has been arranged for those boys whose parents are unable to drive to the Marine Base. The cost is \$2.00 payable at registration time. Only 40 spaces are available for this service. Leaders are necessary for the bus. The bus will depart from the Martin Four Theat on Gillionville Road at 8.30 A.M. and return there approximately 3:30 P.M. Insurance is included.

The 1982 Staff has put together a challenging program for all levels of Cubs. Come help and enjoy the fun at "Camp Bear Claw."

The district is now prepared to deliver to all cub leaders who want or needs leader training. This includes, den leaders, asst. den leaders, webelos leaders, webelos coaches, cubmasters and anyone who wants to get involved with Cub Scouting. We need to know who wants this training as soon as possible. With this training you will be better prepared to present a quality program to your boys. Please contact either Wayne Sprouse or Ed Harvey about this training.

CUB DAD/LAD CAMP

Remember to sign up now for Dad/Lad Overnighter for June 26-27. This should be a big event for all cubs.

S.M.E. KICK-OFF

The 1982 Sustaining Membership Enrollment campaign by press time will have begun. We are fortunate to have Steve Leany, General Manager of Wood Gram molding in Americus as our District Finance Chairman. Throughout the district we need your help to run the quality program for our boys that the Boy Scouts of America provides. The United Way of Americus supports the B.S.A., please help us to continue to guide our youth of today and our leaders of tomorrow.

SCOUT FAIR

Many thanks go out to Wade Barr, Fair Chairman for running the 1982 Fair that provided all Scouts so much fun and excitement. Final count for the fair was 14 units participating, great turn out, let's make next years even bigger.

EAST DISTRICT COMMITTEE

Dale Threadgill, the East District Chairman has been out recruiting members like mad and has put together one of the best District Committee's in the history of the East District. Helping Dale is Bob Kennon and Melvin Merrell. Our Finance Chairman is Ralph Edwards, Membership Chairman is Al Hagin, Outdoor Program Chairman is Travis Smith, Order of the Arrow Chapter Advisor is Tim McRae, Chairman of Training is Bob Space. Dean Hillard is chairman of activities and civic service. David Hege is our district commissioner and Ken Flanders is the Boy Scout Roundtable Commissioner.

The quality and enthusiasm of these men will help the overall Scouting program in this district and make Scouting more visible to the public.

At the May 6th meeting of the District Committee many items were discussed with considerable interest placed on membership and activities and civic service. New and potential sponsors were the key item under the membership report and possible activities and civic service projects were discussed. If you can think of any organizations that needs to be talked with about sponsoring a Scout unit, please contact Al Hagin or Dale Threadgill, and like wise, any suggestions for civic service projects will be gladly accepted by Dean Hillard.

NEW UNIT

The National Guard in Tifton became a partner in Scouting by organizing an Explorer Post on April 27, 1982. The Post Advisor is Sgt. Tom Bernfield and the specialty of the Post is marksmanship. We can all look at Tom as an example and follow his leadership. He recruited 8 assistants to help him.

Post 370 will be active in both the Exploring program and in competitive marksmanship throughout the county.

MEETINGS-WHY GO?

People attend meetings for basically two reasons. Reason number one is to obtain information and training. Reason number two is to fulfill a commitment. Roundtable is the number one information for Scouters. The information can only be passed if you have someone to pass it to. If you haven't guessed it, we are trying to tell you, come to Roundtable. Commissioners and District Committee Meeting are meetings of commitment. Those volunteers who make the commitment to serve should support these meetings. Scouting Coordinators are expected to attend District Committee Meetings. We need to make these meetings succeed. Why? Because of kids. The bottom line is kids. Commissioners and District Committee personnel support unit leaders who attend Roundtables and receive program support. All this helps provide quality program for the young people, our future. Please come to the meetings and learn for the kids sake. You never can tell you might meet someone you like and didn't know.

NEW PACK

The First Presbyterian Church of Cordele organized a Cub Pack on April 27, 1982. The pack is number 550 and is 18 members strong. Ed Qwinette did a lot of work in the organization of this pack in that he recruited the leadership. Arlus Malone is the Cubmaster and has started the Cub Scout pack with a very fast running start. They have already started planning their years activity. Good luck Arlus. Keep up the good work.

COMMISSIONERS STAFF

Do you have an adult in your troop, pack or post that is really interested in the promotion and wellbeing of it, but does not have the time to be a leader? Well make him or her a unit commissioner. The Commissioners Staff helps keep the unit leaders informed of upcoming activities and projects. They help with the rechartering process, and can be a good resource and friend. If you know of someone in your unit, please let Bob Weldy know.

S.M.E.

The Blackshear Trail Sustaining Membership Enrollment began on May 12, 1982. Ben Morris the Crisp County Chairman has done an outstanding job in recruiting the 3 division chairmen. Bob Evans is the Leadership Chairman, Steve Bridges is the Century Chairman, and Brecent Brock is the Special and Publicity Chairman for the Crisp County S.M.E. Campaign.

With a little work and dedication, we can get the job done.

SCOUT FAIR

Looking back on the Scout Fair, one can only say to the leaders, Scouts and other people who helped with the fair "Job Well Done." This years fair was twice as large as the 1981 fair and we sold about twice as many Scout Fair tickets as we did in 1981. Good job Sam Irwin, you deserve this month's Good Turn Award.

CUB SCOUT ROUNDTABLE

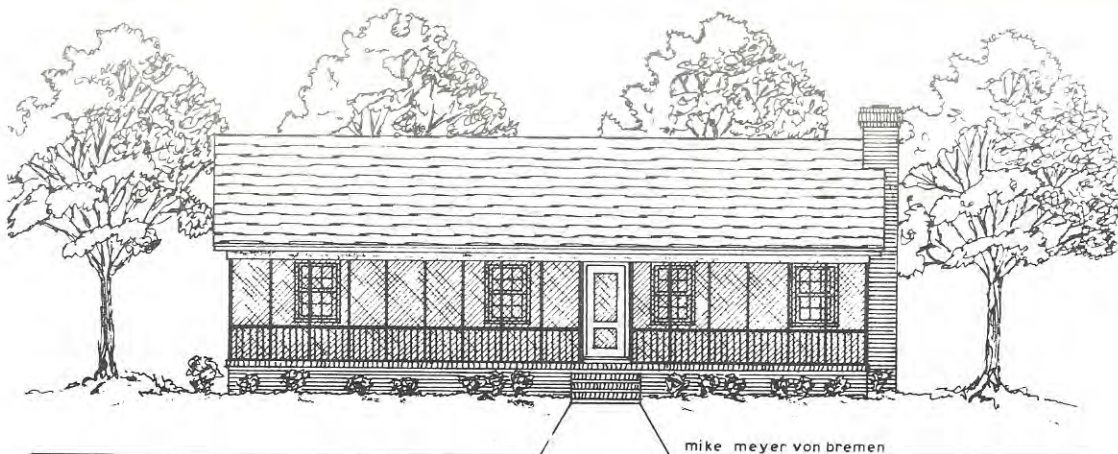

Last month we had 8 leaders present. In order to be a honor unit you must attend 9 roundtable meetings and go through some training courses. In June we will start these courses. If you have not been attending, please come because the course and roundtables will benefit you in training of your boys. We are fortunate to now have a Cub Scout Roundtable Commissioner who will work with you to help you benefit your pack. Congratulations Jackie Lee as our newest member to the Boy Scouts of America as the Roundtable Commissioner.

SCOUT ROUNDTABLE

Hal Haddock is preparing hard to make your roundtable a success. Unfortunately the day that we were meeting was a bad time to have a meeting. Hal and myself are doing our best to work a day and time that will benefit all scoutmasters and other leaders. These meetings are important to the point that it will help you better in your work with the boys. Also it is a way to become a honor unit. Plus we will be starting adult leadership training which is a prerequisite to Woodbadge.

TO ALL CUB SCOUT UNITS

1st Cub Dad/Lad Overnighter will be June 26-27th. So be sure to remind your boys, the dads, or guardians of this weekend. This is a weekend of fun, excitement and new adventure in riflanship, archery, canoeing and the ride of life into the river.

RANGER RESIDENCE. To be built near the entrance to Camp Osborn

CONSTRUCTION BEGUN AT CAMP OSBORN

In May the beginning of the Total Development Campaign improvements were started at Camp Osborn with the digging of a new twelve inch well near the main entrance area of camp. This well will serve the new rangers house and all the improvements to be built in that area of camp, as previously announced by Joe Brashears, Property Development Chairman in the May issue of Drumbeat.

Project two will be the construction of the ranger's house pictured above and bids for this construction were sought in May. We are expecting to award the bid very shortly for construction to begin as soon as possible.

The Council will be hiring a new Camp Ranger as soon as his house is complete so that we can have adequate year round camp property supervision by a resident ranger.

After the ranger's house, troop program shelters in our three summer camp camping area are on the list.

As money becomes available the additional construction of the camp plan will be awarded.

To date the campaign is \$670,000 and is continuing to reach the 995,000 dollars.

WEBELOS CAMP HELP NEEDED

Adult male volunteers are needed to serve as site leaders for our Webelos Camp July 11-16, 1982. Webelos Camp is a week long overnight experience for 10 year old Cub Scouts. We need 10 or more adult male volunteers who would supervise 10 Webelos each. Many councils require that each pack provide leadership for their own Cubs. We feel this would eliminate many Webelos from an enjoyable summer camp experience. As long as we have volunteer site leaders we will not impose a pack leadership requirement. The camp staff teaches the skills and program. Site leaders supervised schedules, discipline, health and safety. The camp provides all meals and there is no charge to site leaders. Den Chiefs are also needed. We prefer to accept first-class Scouts who have experience as den chiefs. Any volunteers for site leaders and den chiefs can contact Steve Taylor at the Council Office, 436-7226. Your help is appreciated.

CHEHAW COUNCIL GOES PRIME TIME TV

Cynthia Hunkele will have an exclusive interview with Cub Day Camp Director Diane Davis and District Executive Ed Harvey concerning the upcoming adventures and excitement of Cub Day Camp. Airtime is 12 noon, Wednesday, June 30, channel 10's Town and Country Show. Cubs and Leaders -- don't miss this show -- a secret message will be broadcasted and all Cubs who translate this will receive a special award at Camp. (Remember this message is secret, so don't tell anyone else.) This telecast will be filled with information and details for all Cubs and their leaders.

DAY CAMP SHAPES UP FOR RIP ROARING TIME

With program additions of engineering the Cubbing World's largest banana split, long distance satellite communications and innovation nature lore, Cubs throughout the Chehaw Council have quite a treat in store this summer. The camp fee of \$16.00 is payable through the Pack Cubmaster or Den Leader Coach who will then turn it in to the Council Office no later than July 12. Don't be left out because camp will fill up quickly. A leader will be required for every 8-10 boys each day from each Pack. Facilities will be provided for leaders with younger children.

DAD/LAD OVERNIGHTER EXPANDED

Due to the great success of the 1981 Cub Dad/Lad Overnighter, the Chehaw Council has expanded the 1982 program to two weekends. 1982 weekends are June 26-27 and July 10-11. All facilities at Camp Osborn where the weekends are held, are open on the weekend for your enjoyment. Dads and Cubs can swim, boat, canoe, ride the Slide for Life, shoot bow and arrows and 22 cal. rifles. Handicraft instruction is available. Saturday supper and Sunday breakfast is included in the \$13.00 per team fee. A team is defined a Cub and male escort (preferably Dad). Prior reservations are required.

TIGER CUBS TO OFFER ADULT LEADERSHIP RESOURCE FOR PACKS

"Because of the adult involvement of a Tiger Cub parent, packs supporting the new program for 7 year olds will find parents already involved with their son will be volunteers as a Cub parent the next year, said Scout Executives during the three year pilot program. Teams of boys and parents are the only way a 7 year old can join the new program. You bring the boy and parent up together to the pack at the end of the Tiger year. There is a graduation ceremony for both the boy and the Tiger parent.

Pack leaders will be oriented in each of our six districts in July. If you are selected to attend one of these meetings, do so to learn more about Tiger Cubs.

CONSTRUCTION STARTS AT BOY SCOUT CAMP

A groundbreaking ceremony was held recently at Camp Osborn, the Chehaw Council, Boy Scouts of America camp in Worth County, for a new ranger's residence, part of a \$995,000 Total Development Fund Campaign for improvements at Camp Osborn, Camp Potter and the Service Center. Present at the groundbreaking ceremony were, from left, Eley Frazer III, Council President, George Plummer, Total Development Campaign Chairman, Mrs. Stellanova Osborn, widow of Governor Chase S. Osborn of Michigan, who donated the 810 acres of land for the camp in 1943, Joe Brashears, Chairman of the Campaign Building Committee and Mr. Hughes, General Contractor. Future improvements at Camp Osborn include remodeling of the dining hall, construction of three program shelters, modification of the existing septic system, completion of water distribution system and addition of three staff cabins. These improvements are expected to cost approximately \$456,000. According to George Plummer, General Campaign Chairman, the fund drive will continue until its goal of \$995,000 has been reached. The improvements will be accomplished as money becomes available through 36-month pledges the Chehaw Council is soliciting from individuals, corporations, commercial firms, clubs and organizations throughout the 17 county area the council serves.

DUCLOS IS CHEHAW COUNCIL'S GOVERNOR BUSBEE-EAGLE SCOUT

A straight "A" student, Mike Duclos was this year's Eagle Scout from our council to Governor Busbee. This 15 year old Scout comes from a scout family in Troop 3, St. Teresa's Catholic Church. Mike's two older brothers are also Eagles of Troop 3 as well as his father is the Troop Committee Chairman.

According to Scoutmaster Ussery, Mike is a well-rounded individual mentally, physically and spiritually. We salute Eagle Scout Mike Duclos for being chosen our representative to Governor Busbee in 1982.

There will be no roundtables for the month of July, but there will be a roundtable in August at the regular time and place.

Leaders, please share this with your boys, all it takes is a little time to advance and we all need to reach for our best.

A GREAT ROUNDTABLE

The Boy Scout program in the East District has had a tremendous shot in the arm. That shot is in the form of Ken Flanders, our Roundtable Commissioner. Ken did a fantastic job with his first roundtable; and it looks like the rest will be even better.

The roundtable meeting is for Scout leaders, assistants, committee members and other adults interested in Scouting. It is a good place to get current information on upcoming activities of the district and council. There are other important things to gain at a roundtable such as the inter-reaction with other leaders and problem solving.

We hope to see you at the next roundtable.

CUB DAY CAMP

Cub Day Camp is coming up quick and you need to make your reservations now.

While there is no cut off number of Cubs for Day Camp, it would help tremendously if we had an exact number to plan for.

With all of the fun to be had at this years Cub Day Camp you don't want to be left out.

WELCOME BROTHERS TO THE EAST CHAPTER

On June 4th, the East District had seventeen young people and adults go through the Order of the Arrow Ordeal. All passed the Ordeal without flunking and with Gene Gorge's timely comments it looks like this chapter will have a great future. Tim, you did a good job of getting everyone prepared for the weekend.

CALLING FOR COMMISSIONERS

We need your help to locate commissioners, Tuesday, August 3, at 7:30 P.M. We will have an orientation for new commissioners at this time. We would like to ask each unit committee to recruit an interested person to attend to be commissioned to serve the units. We need your help to recruit volunteers.

BOY LEADER TRAINING AVAILABLE

Scouting runs on their boy power. The most effective leadership is that comes from the boys in the troop. We must give these boys the basic leadership skills they need to the job. Our upcoming Troop Leader Development Course does this. This is such a fine course you may want to invest the registration fee for your potential and present leadership from the troop.

O.A. PARTICIPATION

The first official meeting of the Pathfinder Chapter of the Immokalee Lodge will be held in conjunction with the O.A. weekend August 6-8. At this time we will elect our Chapter officers. We have a lot of new members and we need them to attend this weekend. We need all O.A. members to be active participants in our lodge and chapter. Please remind your Scouts of this important weekend.

THOUGHT FOR THE MONTH

Plan your work, then work your plan.

COL. RACKHAM TRANSFERRED

At the end of June, Wanda and Bob Rackham were transferred by the Marine Corps to Okinawa. As Council Commissioner this past year and Fair Chairman for two years, Col. Rackham has made a real contribution to this Boy Scout Council. As a Scoutmaster to twelve Scouts, bishop of his Latter Day Saint Ward and holder of countless other civic responsibilities in Albany, he will leave a real void in our Scout family and the community. We can't tell you the number of times he has ended a conversation with, "What else can I do for Scouting?"

The Chehaw Council will miss Col. Bob and his family.

TROOP LEADER TRAINING - AUG. 1-7, 1982 CAMP OSBORN - COST \$55.00 PER SCOUT

The Chehaw Council will conduct a Troop Leader Training Camp this year for your senior patrol leader, leadership corps members, patrol leaders, and young men being considered for these positions. (C) HOW TO REGISTER: Fill out application NOW; Attach fee (minimum \$10.00); Send to Scout Office; TOTAL FEE: \$55.00.

POLICIES GUIDE COUNCILS IN FUNDRAISING EFFORTS

Units occasionally find it desirable to conduct fundraising efforts, and the BSA has specific policies to guide units in selecting money-earning projects.

Councils should advise units of the following:

The BSA name, logo, uniforms, and photos may be used only for Scouting functions.

Products may be sold on their merits alone and not by members wearing uniforms.

All projects must be approved by the local council.

Whatever product or service a unit decides to sell must be in keeping with the values of the BSA. The traditional principles of Scouting have been carefully preserved over the years, and they must be safeguarded now and in the future.

Additional information is available from the Local Council Service Center.

CUB LEADERS URGED TO REGISTER CUBS FOR DAY CAMP EARLY

With camp just three weeks away, your pack's registration should have already been turned into the council office. If not do so right away to ensure proper planning by our Camp Directors.

BSA SALUTED IN FULL-PAGE AD

An ad in the Wall Street Journal saluting the Boy Scouts of America has drawn more than 19,000 requests for reprints.

The full-page ad appeared in the January 14, 1982, edition of the newspaper and was placed by United Technologies Corporation, Hartford, Conn. It was created by Henry Woodruff, vice-president of Richard Kerr, Inc., a Hampstead, N.C., advertising agency as one in a series of ads that the agency is developing for United Technologies emphasizing the human element in the world of business. We thought you would be interested in what a large company like United Technologies thought of your program.

"THAT'S INCREDIBLE" SEEKING BSA STORIES

"That's Incredible" on ABC-TV is again seeking unusual stories involving BSA youth members or adults. Two stories have so far been broadcast from ideas that have been submitted by viewers. Anyone with an idea involving members of a local council should contact Sally Newell, "That's Incredible," 1554 S. Sepulveda, Los Angeles, CA 90025.
