COUNCIL

WHAT IS NO-TRACE CAMPING?

The Boy Scouts of America probably puts more youth and adults into the out-of-doors than any other single organization. Since Scouting is such a heavy user of America's outdoor resources, it's important that leaders and youth members understand and appreciate the need to preserve and preserve and protect the wild environment.

Scouting groups are occasionally criticized for activities and behavior that are not in keeping with the best environment practices in wilderness and backcountry areas. It can be argued that Scouting groups are not more guilty than others—they're just more visible. This may be true. But if Scouting is visible, it must set the best possible example for its own members and the general public.

No-trace camping involves the skills, techniques, and attitudes that can give older Scouts and Explorers a true wilderness experience. The goal is little evidence of their presence while in the area and they leave no trace upon their departure. As a matter of law, designated wilderness and primitive areas often strict limits on their use. Scouting groups must understand and respect these limits. Backcountry areas, not officially designated as wilderness or primitive, also deserve protection and care in how they are used.

The 1984 Annual Banquet was a huge success thanks to the banquet committee. The Albany Junior College Personal were great hosts. The banquet program began on time and ended at 8:45 P.M.

DISTRICT CAMPOREE

Lee Bishop Camporee Chief for our District Spring Camporee has put together a fine staff for the camporee.

This Camporee will be different in that it will give the public a chance to see that Scouting is well and alive in our District. Many fun and interesting activities are planned that will show Scouting skills and adventures.

VOLUNTEERS CATCH THE SCOUTING SPIRIT

Volunteers catch the Scouting Spirit. They give tirelessly of themselves as they work with the youth to instill in them the values of Scouting: character development, responsible citizenship, and personal fitness. During Scouting Anniversary week I learned of many activities taking place within the units and I was proud to know that scouting is alive and well in our District. Without the volunteers, their families and the support of the sponsoring institutions we could not have the terrific programs going on in Flint. Congratulations to all our leaders and their registered youth. Keep up the good work.

SILVER BEAVERS

We are very fortunate in our District to have two of the new Silver Beavers. The valuable efforts of Bruce Jarey and Diane Davis have not gone unnoticed. They and all the other volunteers don't put in their time for "Honor and Glory." They do it for the boys. The enthusiasm and high ideals of Bruce and Diane can be the motivation for all of us to give a little extra to the youth in the months ahead. Remember, the best is ahead in 1984!!

O.A. FELLOWSHIP

All Arrowmen don't miss out on this big weekend of fun and fellowship. Its that last big time together to prepare for the area 4 conclave in Columbus. Some spots still available to go to Columbus. Lots of new things happening in the lodge so don't miss.

Under the leadership of Wade Barr the 1984 District Committee has taken shape and off running. Many new faces and fresh ideas are helping to develop our many up coming Scouting activities.

ATTENTION CUB LEADERS:

Starting in March the Cub Scout Leader Training Course will be kicked off, time and locations will be announced by mail prior to the course. These sessions can help enrich the program you are now presenting to your Cubs.

ADVANCEMENT

Ever look at the expression on a boy's face when he receives a new advancement badge. Our whole Scouting program is based on the boy working and striving to another level and by doing this he learns and achieves, its what makes our program so unique. Have been very pleased to see T-70 and T-282 having impressive Court of Honor programs, keep it up and all join in.

MAN / MILE AWARD

On February 7th, the East District was presented the Man / Mile Award at the Chehaw Council Banquet. This meant that more people came a longer distance to the banquet from our District than from any other District. To many this Award seems trivial. In reality it is a tribute to the growing enthusiasm among the volunteers in Turner and Tift Counties. This enthusiasm is reflected in many areas. Pack 62 has completed a service project with the Garden Club which will benefit the statue of Liberty (congratulations) to the Hooks and the Kelly's). Scout Show ticket sales are exceeding last year, plans for the show indicate a tremendous success. (Thanks to Bill Miller, Barney Philpot, and their Committees). Sustaining Membership Enrollment has already surpassed the 50% level (John Prince, Royce Jones, Dale Threadgill, Linda Norman, and their many enrollers). The Commissioner staff is expanding its service to more units than in the past (thank to Tom Fagan).

SUMMER CAMP

There will be 3 weeks of Summer Camp this year. If your Troop plans to attend, please register for a week beginning June 17,24, or July 1. If you have already registered it would be wise to confirm your reservation.

We are gradually expanding our commissioner service. Our responsibility is to help the leaders bring Scouting to the boys. If you have any questions or problem Please contact your Commissioner (Harold Plemons, or Joel Haley) or me.

SUMMER CAMP

It's time to make plans to attend Summer Camp. Our three veteran troops. Troop 41, Troop 240, and Troop 522 all missed last year and ought to try to go in 1984. There will only be 3 weeks of camp (beginning June 17, 24 and July 1) so make your reservation early. If you are have difficulty finding men to stay with your Troop during camp, then maybe two Troops could work together. This year we have more boys interested in camping. Let's give them an exciting summer program at camp

1984 SPIRIT LIVES ON SCOUT SHOW

The Scout Show will be held in Sylvester at Jefford's park. The theme, "The spirit lives on" through Scouting should help us to have a better show than last year. Your Troop and Pack participating will be the true difference in the kind of show we have. The show chairman will be contacting you to secure your participation.

Don't forget the ticket sales it's a real winner as a unit fund raiser. You have no overhead, nothing to buy and could earn as much as \$.30 cents on the dollar if your unit collectively sells 1,000 tickets.

COMMISSIONER SERVICE

Dan Riddle District Commissioner is building his staff. Dennis Holley has agreed to be an A.D.C. for Mitchell County. Dennis is the lodge advisor to the O/A also. Dan is still looking for a A.D.C. for Worth County. The priority will be on rechartering and unit service, both are greatly needed. The Commissioners have a great mission, to keep you informed as a unit leader and provide assistance when needed. The Commissioner is an extension of the District Executive. The more Commissioners he has the better the Units will get the service and the help they need.

FEBRUARY ROUNDTABLE

This is history, but O/A lodge advisor Dennis Holley was our program last month to discuss the O/A election process and Camp promotions. Dennis shared his concern that the Scoutmasters a good coaching job with their Scouts to ensure the high traditions of the Order of the Arrow. Scouts who are willing to participate in the activities of the lodge are those who the Scouts should elect. All leaders present were pleased with Dennis' request and plans for camp promotions.

SCHOLARSHIPS AVAILABLE FOR EAGLE SCOUTS

Chief Scout Executive J.L. Tarr has announced that educational scholarships for Eagle Scouts are available.

Through the generosity of William P. Clement, Jr. of Dallas Texas, a fund has been established that will provide up to 5 college for Eagle Scouts in Each of the Six Boy Scout regions. Individual scholarships will not exceed \$3,000 and a total of 30 such scholarships will be awarded each year.

Any Eagle Scout may apply. The purpose of this scholarship program is to provide financial assistance to Eagle Scout for a higher education at an accredited college or University. The selection will be based on financial need, scholastic accomplishment, Scouting activities and involvement in Community, School and religious affairs.

For more information contact the Council Service Center.

IT'S NEW: DEN AIDE

A teenage leadership resource for Cub Scouting. The guide lines for Den Aides are: a teenage boy or girl, ages 14 through 17, who helps a den leader succeed in bringing the benefits of Cub Scouting to the members of the den. This new leadership role was approved by the Boy Scouts of America in June 1983.

Den aide leadership is optional with packs and used where needed and wanted. This is a nonregistered, nonmembership position to be considered as a supporting role.

The den aide is a substitute for den chief and assistant den leader where neither den chief nor assistant den leader are available.

The den aide works under the direction of the den leader, assisting the leader in most aspects of successful den operations. Packs who have den aides usually do not find it possible to recruit den chiefs. In dens that have both, the den leaders need to define the duties of each.

Contact the Council Service Center for more details or come by and pickup the information.

TO DATE \$ 27,152 12% of Goal

1984 S.M.E. Campaign under Richard Carson's leadership has a hundred plus enrollers both in the Council and District level calling on parents and friends of Scouting for their financial involvement.

It is difficult to put a dollar figure to the question "What is the worth of Scouting in the development of a boy?" That question is more easily answered in terms of character development, citizenship training and personal fitness, but the fact remains that Scouting does cost money. In fact, it cost the Council \$65.00 per year for every Tiger Cub, Cub Scout, Boy Scout or Explorer to provide services to Packs, Troops, and Posts of our charter partners.

The Scout Family Finance campaign will begin in April. This will be gear to the parents of young people who are participate in Scouting. The Scout family campaign is vital to the Council's 1984 program operating needs which require \$213,500 to be raised through S.M.E. which the Scout Family campaign is part of.

This is based on National Competition, the Eagle Scout will begin training in Sept. 1984, leave via United States Coast Guard Icebreaker the following month for Chile and the Antarctic, participate both in scientific experiments and a special tour of Antarctic buses, and return home via New Zealand and Australia, arriving approximately May 1, 1985

A registered member of the BSA
An Eagle Scout
Between 17 and 19½ yrs of age, as of June 1, 1984.
An outstanding camping and outdoor background.

Applications are available from the Council trading Post and must be postmarked April 1, 1984, So Hurry!!

Note Change In Rates For Unit Accident Insurance

Note change in rates for unit accident insurance:

The rates of Scout insurance as underwritten by Mutual of Omaha Insurance Company were increased in Jan. 1984 as follow.

Tiger Cubs - \$.60
Cub Scouts - \$.60
Boy Scouts - \$1.20
Varsity Scouts - \$1.20
Explorers - \$1.80

Some units are using the old rates, and it is causing administrative difficulties from the insurance company. You can use the old form, just be sure to apply the new rates.

SUMMER CAMP AND THE O/A

What do they have in common you ask? The Imokalee Lodge of the Order of the Arrow are providing the camp promotion material to each Scout troop weather you have registered for camp or not. The officers and members spent a weekend preparing for the camp promotion.

The O/A lodge will be conducting unit elections while they do the camp promotions. This activity has really made the need for those O/A members wearing a lodge flap to get active. Not only are these projects taking place now, but the O/A has just about completed a new Ceremonial Ring. They will be doing Tap Outs at summer camp on

MARCH 25, 1984

Wednesday nights. This takes Indian Costumes and lodge members. If you ever felt the O/A did nothing, think twice and get involved. There is more to be done than there are members.

Scoutmasters, please inform your O/A members of the needs and projects. The O/A members help is always needed, and thats more than just wearing the O/A flap! Contact Lodge Chief Tommy Cline or Lodge Advisor Dennis Holley to get involved.

The Spirit Lives On!

"THE SPIRIT LIVES ON"

Scout Show- The Spirit lives on thur Scouting is shaping up to be the largest activity this Council will have this year to date. All Districts have more units selling tickets, this will be a banner year in ticket sales.

The participation with units having a booth is the best yet. Don't miss out on the great chance you have as a unit leader to give your Cubs, Scouts, and Explorers the opportunity to feel apart of the big Scouting family and let the public know how strong Scouting really is.

Just because the Scout Show may not be in your home thats no reason not to participate. I've always found that people are truly impressed to learn there is a Pack, Troop or Post in the remote areas of the Council and in the large communities. Your the key in selling your program and the worth it plays in the lives of your boys. See you at the greatest Scouting Show of 1984!!

Last day to earn 20% commission on ticket sales is April 14th at the Show and last day to earn 15% commission is April 30th. No commission will be paid on ticket money turn in after April 30th, 1984. Prizes are available at the Council Service Center.

A BUSY MONTH

March has been a busy month for our District. The Scout Show/Camporee committee has been hard at work finalizing our mid April event. The training and Advancement committees are gearing up for a busy spring. The finance committee has nearly completed their work. Membership committee has begun to work. And the exploring committee is pursuing its aggressive plan for 1984. The end result will be a better program for you and your boys. 1984 will be an excellent year.

SCOUT SHOW/SPRING CAMPOREE

The Scout Show/Camporee has entered the final works of planning. If you have not yet decided to come, please plan to participate. Not only will it be fun, but you will get to see what other leaders do with their boys. You will get program ideas which you can use at your own meetings. Don't miss this opportunity on April 14th. See you at the Fairgrounds!

SUMMER CAMP

Summer Camp information has been mailed to all registered Scoutmasters. If you have already reserved a campsite for 1984, please confirm your reservations. If you haven't, you still have a little time left. Ashley Goss of troop 31 will help with a summer camp presentation for your troop.

DISTRICT UPDATE

Our District, which has had difficulties recently in many areas, is now experiencing growth. Our youth membership is climbing, our District staff of volunteers is expanding, and our service potential is growing. The details can be found in the committee reports.

Sam Irwin has coordinated our Scout Show Camporee efforts with the East District. At present, three packs and three troops plan to participate. Those who choose not to go will miss Scouts' camping, Cubs racing their Pinewood Derby, numerous, Cub and Scout displays, and several competitive events. It will be worth your while to attend because you will get ideas you can use with your own boys.

SUMMER CAMP

Boys from three troops in our District plan to attend Summer Camp. Wayne Woodward is coordinating our camping efforts. If you would like a brief summer camp presentation at a Court of Honor, let Wayne know 3 weeks in advance. Ashley Goss in Ashburn is working to coordinate the presentation.

MEMBERSHIP

David Scales is in charge of membership in the District. We have had a membership growth in six of our last seven consecutive months. Although we shall lose nearly 25 boys in April when several packs and troops recharter, we should be able to continue our growth trend. This means we are bringing Scouting into more families, making our community a little better for all.

COMMISSIONER

Service to the packs and troops is the responsibility of the commissioner staff headed by Bill Stewart. Fewer packs and troops need help in rechartering this year because of the ground work covered by the commissioners. Only one troop has failed to recharter (troop 38). There are still areas where we have no commissioner support, however we will be better prepared.

Along with the many Scout booths by Packs, Troops and Explorer Posts, Charlie has scheduled a host of interesting events, contests and entertainers to interest our Scouts and attract the community. Some of the planned activities are the SWAT team of Albany Police Department, Black powder team, Cub physical fitness contest, Pecan City petblers and the Shriners caper clown.

Many units are really coming on strong with new ideas for the great Scout Show to be held at Jeffords Park in Sylvester. The Cubs & Scouts who have been in the show look forward to the opportunity to really showing off their skills. These who have never been in are really missing a chance to give the boys a memorable experience.

All units will be contacted by the show Chairman to confirm your booth theme, we are looking to the greatest show ever.

Ticket sales are going over fantastic. Units who are selling tickets are beefing up their funds to extend the program opportunities for the boys.

BE AN SME ENROLLER

Ralph Rodgers, 1984 S.M.E. Chairman for Pathfinder District is well on his way to a successful campaign. Ralph has a S.M.E. team that includes Ron Perry-Youth & Education minister for 1st Baptist Church, Sylvester and Larry Dixon- Branch Manager Trust Co. Bank of East Albany. The team from Mitchell County are not quite complete. The really great news is we are at 24% of our total goal of \$8,500.00 and have not yet kicked off the campaign.

Ralph and District Chairman Fred Dent have a commitment to have the goal attained by the end of April and all clean up efforts complete by May 15th.

By completing S.M.E. early we will be able to put our efforts into unit service & programs.

SCOUT UNIFORM

Your uniform is part of the thrill of being a Scout. First- of all it shows you belong, second - it is a steady reminder to yourself and to others that here is a boy who can be trusted to help when needed. And third-its color and design make the Scout uniform the ideal clothing of the outdoorsman.

Wear your uniform proudly. Wear it completely and correctly at all Scout events:

1. Wear it all patrol and troop meetings, hikes, camps and rallies.
2. Wear it when you appear before a Board of Review or a Court of Honor.
3. Wear it when you take part in any Scout Service Project.
4. Wear it during Scouting Anniversary Week in February.

DISTRICT CAMPOREE

The spring camporee was a great experience for the boys and volunteers who attended. Along with learning Scout crafts and having fun, the boys worked as a patrol and as a troop.

COUNCIL ALIGNMENT

The Chehaw Council will begin May 1, 1984 with a new service area alignment. Ed Harvey, District Executive Kinchalee District has recently been promoted to the Northwest Council, Rome Ga., which left a service area vacant. Council President Max Corner call a special meeting with the key Council leadership to discuss the course of action.

The recommendation was to promote Ed Cendroski, District Executive Kolomoki District to Americus and make a move to 4 service areas from the current 6 service areas we now have. The Council President met with the current District Chairmen; Fred Dent, Pathfinder, Emmett Bowers, Flint, Wade Barr, Kinchalee, George Loyed, Kolomoki, Dale Threadgill East and David Rainwater, Blackshear Trails, to gain their input on the 4 service area plan. The outcome was they all were in agreement. This was the direction the Board should move towards. The District chairman felt greater service would be provided, greater resources for the various committees and this would continue the plan to financial recovery.

The six Districts were as follow:
Flint: West Dougherty, Baker Counties.

Pathfinder: Mitchell, Worth, East Dougherty Counties.

Kinchalee: Schley, Sumter, Terrell, Lee Counties.

Kolomoki: Clay, Calhoun, Early, Miller, Counties.

Blackshear: Wilcox, Crisp, Dooly, Counties
East: Tift, Turner, Counties.

The four service areas will be:
Central Service Area: Terrell, Lee, Dougherty.

Northeast Service Area: Schley, Sumter, Dooly, Wilcox, Crisp.

Southeast Service Area: Turner, Tift, Worth, Mitchell.

Southwest Service Area: Clay, Calhoun, Early, Miller, Baker.

The Service Area chairman and District Executive will be:

Central Service Area: Chairman-Emmett Bowers, Executive-Gordon Davis.

Northeast Service Area: Chairmen-Wade Barr, and David Rainwater, Executive-Ed Cendroski.

Southwest Service Area: Chairman-George Loyed, Executive Charles Barth.

Southeast Service Area: Chairmen-Dale Threadgill and Fred Dent, Executive Bill Brashear.

The above plan was present and approved at the Executive Board Meeting in March.

Drumbeat format this month will reflect the change to 4 Service areas.

SUMMER CAMP WORK DAY

May 5th is the day we hope you set aside as the day you will help get Osborn Scout Reservation ready for the Scouts who will camp there this summer.

The Adult work day will begin at 8:30 A.M. and conclude at 4:30 P.M., we ask you bring a bag lunch and we will provide the drink. There are many projects involving painting, electrical, carpentry work, general clean up and cleaning. The help you provide is greatly needed if we are going to complete all that is needed and will be appreciated by the scouts who camp at Osborn Scout Reservation this summer.

CAMPING COMMITTEE HIGHLIGHTS

The camping committee recently met at Osborn Scout Reservation to view camp and what needs to be completed for summer camp operation.

The committee gave approval to close the creek leantos this summer to perform repairs, the creek site will be moved to handle those units already signed up for camp. The creek site will be tents, this is the only change.

The slide for life will be open after replacing the ladder. An obstacle course will be built for summer camp, the summer camp patch will change to a new design, the central shower will be replaced with an outside shower to alleviate the drainage problem and backups.

The camp program will have added several new merit badges and an aqua trek (canoe trip) program is being planned for camp.

The committee stress the need to fill camp and offered help on the other projects.

SUMMER CAMP ORIENTATION

There will be a special orientation on the 1984 summer camp program for Scoutmasters or summer camp leaders.
